

Secure, Compliant, and Confidential: Rev's HIPAA-Compliant Solutions For Law Firms

Rev: Your Trusted HIPAA-Compliant Partner

As legal professionals increasingly handle sensitive health information, having a HIPAA-compliant voice solution isn't just an option—it's a necessity. Rev understands this critical need and has built comprehensive security and privacy controls into our VoiceHub platform, making us a trusted Business Associate for organizations that must maintain HIPAA compliance.

What's Included

Our HIPAA-compliant VoiceHub subscription includes all the core features you need:

- Rev Mobile Application
- Meetings Notetaker
- Workspaces & Folder Management
- User Management
- Automatic AI Transcription
- Auto Summary Generation
- Summary Builder
- AI Captioning
- Domain Claiming

What's Different in Our HIPAA Plan

To ensure compliance, some features are modified or removed:

- Only available as an annual enterprise plan
- No public sharing options (transcript sharing limited to within your Rev account)
- No human transcription services
- No transcript/summary emails when files complete
- No URL paste feature for file uploads
- Limited third-party integrations (only HIPAA-compliant partners)

Beyond HIPAA: Our Commitment to Security

While HIPAA compliance is crucial, our commitment to security goes further. Rev maintains multiple security certifications including SOC 2 Type II compliance, demonstrating our ongoing dedication to protecting your sensitive information. Enhanced privacy controls include:

Learn more at rev.com/security

- Restricted sharing capabilities to prevent external exposure
- Limited integration with verified HIPAA-compliant partners
- No public sharing options
- Complete audit trails of all system access and activities
- Stringent access controls for sensitive data
